I ACCUSE THE
AMERICAN
GOVERNMENT

I accuse the American society, the American white people and the capitalist system to continue segregation.
My friends, I accuse the government which is supporting that white people are exploiting us
The election of Barack Obama is an overhang in the long way of injustice.
Today my friends, one can ducted a trend of opinion in favor of black community.
I accuse the US government, white people, who are lying about the "American dream"!Because it is not "an all races dream" but a white people dream.

DON T AGREE "THE AMERICAN WAY OF LIFE". TODAY WE WANT A PLACE OF

FREEDOM, WITH
PEOPLE OF ALL
RACES, RELIGIONS,
RICH AND POOR!
